WINTER STORAGE - SEASON 2016/2017

RATES CIRCULAR
ALL PRICES INCLUDE VAT @ 20%

THE ATTACHED PRICE INCLUDES:

Slipping, scrubbing-off, storage ashore, regular inspection of shores and wedges, re-launching, washing decks and superstructure after launching and securing in a berth

THE ATTACHED PRICE EXCLUDES:

Removal of loose equipment, e.g. sails, spray hood, dodgers, life raft, dinghy, outboard motor, etc.

INSPECTIONS:

Inspections will be made on a regular monthly basis, when we will check the deck and cockpit areas. If the owner plans to leave the yacht unattended over the winter months, we will also carry out an internal inspection.

LENGTH OF WINTER STORAGE PERIOD:

Normally 26 weeks. Vessel insurance must allow for some flexibility in slipping and launching dates. A charge at current rates will be made for vessels remaining ashore or on a mooring after the booking period.

REMOVAL, STORAGE AND REPLACEMENT OF MASTS, STANDING RIGGING AND BOOMS:

It is recommended that masts are removed for winter storage and the company reserves the right to insist on this. Price for deck stepped mast with single spreader:

Yachts up to 8.5 metres LOA	£100.00 each way
Yachts 8.51 to 11.0 metres LOA	£135.00 each way
Yachts 11.1 metres LOA and over	£175.00 each way
Mast disconnect or connect wiring (1 hour or less)	£ 30.00 each way

MIZZEN MASTS

Yachts up to 9.0 metres LOA	£60.00 each way
Yachts over 9.0 metres LOA	£75.00 each way

THE ABOVE PRICES:

Are based on a deck-stepped mast fitted with VHF aerial and wind transducers and where electrical deck sockets are provided. Extra work due to a keel stepped mast, dismantling a radar scanner etc. will be charged for as time in line at our current general labour rate

THE ABOVE PRICE INCLUDES:

Removal of wind transducers, removal/reversal of VHF aerial, removal of mast and storage on outside rack, removal of spreaders, securing rigging on mast and in the spring, reversal of the process.

THE MAST DISCONNECT OR CONNECT WIRING:

Any repairs such as faulty lights, corroded connections, defective rigging screws, disconnection and re-connection of mast wiring or fine tuning of standing rigging in the spring, and will be charged for as time in line at our current general labour rate

WINTER COVERS:

Winter covers belonging to owners can be fitted and removed by yard staff. The work will be charged at current day rates. Owners may fit their own winter covers but yard staff must approve the cover and fixing.
